Declaration of Similarity

The SN82XX family of Wi-Fi Network Controller modules exhibit the same RF characteristics/design and only vary by way of internal memory/microcontroller configuration. Therefore, we the undersigned manufacturer, hereby declare that the following models are identical in all electrical safety and electromagnetic aspects from the regulatory point of view.

Regulatory Model Name (item tested)	Other Model Names
SN8200	SN8201
	SN8202
	SN8203
	SN8204
	SN8205

The microcontroller variations are as follows:

Model	Microcontroller
SN8200	STM32F103RFT6TR
SN8201	STM32F103RET6TR
SN8202	STM32F103RGT6TR
SN8203	STM32F205RFT6TR
SN8204	STM32F205RET6TR
SN8205	STM32F205RGT6TR
