To Whom It May Concern:

The FCC grant for QQL-Q2438 needs a correction. The modem is referred to as a "GSM" modem.

FCC IDENTIFIER: QQL-Q2438

Name of Grantee: AirLink Communications, Inc.

Equipment Class: PCS Licensed Transmitter

Notes: GSM 850 / 1900 MHz Modem

It should state "CDMA" modem instead. Our CDMA carrier friends object to this designation.

FCC IDENTIFIER: QQL-Q2438

Name of Grantee: AirLink Communications, Inc.

Equipment Class: PCS Licensed Transmitter

Notes: CDMA 850 / 1900 MHz Modem

Thank you for the prompt attention to this issue.

A handwritten signature in black ink that reads "JR Baichtal". The signature is fluid and cursive, with "JR" being a stylized initial. A vertical red line is positioned to the right of the signature.

Jim Baichtal
AirLink Communications, Inc.
