Re: Request for Confidentiality

FCC ID: QRF-QSFNYON3

In accordance with FCC Rules part 0.459, we hereby request confidential treatment for the above referenced Certification application. The items to be held in confidence are:

Schematics for the ZComax AG-623 CN Radio Module
The block Diagram and Description of the TR-Multi
Interior photos of the TR-Multi
Schematic of the TR-Multi Carrier Board

The application contains technical information that which ZComax and Tranzeo Wireless Technologies Inc. deem to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of the applicant in the market place. Since the product is sealed and contains no user serviceable parts, the Interior Photos are only of use to the applicant's competitors. The product is sealed with a one time sealing agent that prevents access to the interior and therefore opening the case destroys the product.

Thank you for your attention in this matter
