Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: Aliph

FCC ID: QSA ALIPH-RAV-REVB

To whom it may concern,

Request is hereby submitted, on behalf of my client, Aliph, to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

Schematics
Block Diagram
Theory of Operations

Rationale for request for confidentiality:

Aliph has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in dark ink, appearing to read 'T N Cokenias', with a long horizontal flourish extending to the right.
