

4(6)

The top photograph shows the back of a blue mobile phone with its cover removed. The internal components visible include a silver battery with the text "0251035 F02-5", "06.131407AA", and "0001523" printed on it. A black camera module is mounted on the right side. The phone's frame is blue plastic.

The bottom photograph shows the front of the same mobile phone with its cover removed. The internal components visible include a green motherboard, a silver SIM card slot, a large silver heat sink, and various electronic components like capacitors and resistors. A yellow ribbon cable is connected to the motherboard.
