RE: FCC ID: QTLRH-72_ATCB002444

Attention: Ari Havela

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the manual does not appear to contain the minimum separation distance and the no metal in the holster or belt clip statement generally in Nokia manuals. Please add the 1.5cm minimum separation distance and no metal content in the belt clip/holster statement.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
