RE: FCC ID: QTLRM-259\_ATCB004903

Attention: Helen Hu

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the 731 states 15C certification, however, no frequency or power information has been listed in section 6a-d of the 732 for 15C. Please provide a completed 731 form and list all appropriate frequency ranges and power levels for the rule parts to which certification is being requested.
2. Please provide the external photos for the device.
3. Please provide the FCC ID label and label location information for the device. Please show where on the device the FCC ID is to be placed and please provide a sample of the actual FCC ID label.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
