Dear Sir or Madam:

We, Forem S.r.l. (via Archimede 22-24, 20041 Agrate Brianza, Milano Italy) hereby declares that E15Q40P09 SCPA Power Amplifier has been manufactured by Forem per Nortel Networks request and is not sold directly to the public by Forem.

This product is completely manufactured according to Nortel specifications. This device is designed in order to be integrated inside a Nortel BTS, and can be integrated only in this system by Nortel personnel.

For this product Forem hasn't compiled a manual of use: the way in which the SCPA can be used is the one defined by Nortel specifications.

Regards.

Stefano Amato
Reliability Engineer
