

It is our pleasure to welcome you to the SIEMIC family. We are a leading provider of testing and certification services for the electronic and telecommunications industries. Our mission is to provide our clients with the highest quality and most accurate test results, and to do so in a timely and efficient manner. We are committed to maintaining the highest standards of quality and integrity in all of our operations.

Project and Product Certification Representative Authorization Letter

Dear [Client Name],

I am writing to you to formally appoint you as the Project and Product Certification Representative for our company. This role will involve managing the certification process for your projects and products, ensuring that they meet all relevant regulations and standards. You will be responsible for providing documentation, conducting tests, and preparing reports. Your role is crucial to the success of our projects and products, and we are confident that you will do an excellent job.

Reason for Amendment (current / obsolete)	Revision History		Approved Date
	From	To	
Initial Release (obsolete)	1.0	1.0	Nov-14-2006
Revised wording (obsolete)	1.0	2.0	Sept-25-2007
Updated company template (obsolete)	2.0	3.0	Jan-31-2012
Updated letter information (obsolete)	3.0	4.0	May-23-2014
Added FCC ID field (current)	4.0	5.0	Sept 16 2014

As the Project and Product Certification Representative, you will be responsible for managing the certification process for your projects and products. This will involve:

- Reviewing and understanding the requirements for certification.
- Providing documentation and test results to the appropriate regulatory bodies.
- Ensuring that all products meet the required standards and regulations.
- Preparing reports and documentation for review by the regulatory bodies.
- Coordinating with the regulatory bodies to resolve any issues or concerns.
