RE: Class II Permissive Change for FCC ID: QV5MERCURY6E-M Granted 11/30/2012

To Whom It May Concern:

We, Jadak, a business unit of Novanta are submitting an application for Class II Permissive Change against FCC ID: QV5MERCURY6E-M.

There are no hardware or electrical modifications made to the applying RF Module (Radio Equipment).

The changes filed under this application are:

- Addition of an attached dual polarization antenna
- Addition of a USB DC power filter

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

Harinath Reddy

Senior R&D Director, RFID Systems & Engineering
