Electromagnetic Interference Analysis
for

FleetMind Solutions

Access Point 300

Model: S-AP-300

We hereby declare that the equipment specified above was evaluated for assessment of compliance with respect to the requirements of Part 15, Subpart B, Class B of the FCC Rules and Regulations, including CISPR requirements for Conducted Emissions.

The Equipment has been shown to comply with the above applicable standards as indicated in the engineering report under the APREL Project number: DoC FMSB-Access Point-3944.

We attest to the accuracy of all measurement data and completeness of these measurements as reported in the above report.

March 26, 2003
