

TCB June 24th Email Response for Item 5a
TerraDigital Systems FCC ID Number QW8-TP100-00

Copy of email from Mr. Ken Boston

June 27, 2003

From: Kenneth L Boston [kboston@lsr.com]
To: jblaha@lsr.com

Jim,

Response for item #5;

The excel sheet has been filled out for the highest gain antenna, (2.5 dBi), on the lowest channel (904.7 MHz- with the highest power output and the tightest MPE limit) This will represent the worst case exposure case for these three products. The margin of compliance is seen to be 18.3 dB.

Kenneth L. Boston
