Declaration Letter

We, Enterasys Networks, Inc. declare that we did not find a suitable DC Power adaptor for WS-AP3705i device use so far, therefore we declare that we will use software to disable the DC Power supply function. Also, we will state a statements into User's Guide to remind the end user can not use DC Power supply function, that means the end user just can use PoE power supply function so far. Once we find a suitable DC Power supply, we will update all necessary test reports.

If you have any questions regarding the authorization, please don't hesitate to contact us.

Thank you!
