### Request for Confidentiality – Long Term

Date: February 17, 2025

Subject: Confidentiality Request for: FCC QXP-SK878

Pursuant to FCC 47 CFR 0.457(d) and 0.459 of the Commission's Rules, and/or IC RSP-100, Section 12.4, the applicant requests that a part of the subject application(s) as outlined below be held confidential.

1. Block Diagram
2. Schematics
3. Operational Description

The applicant has spent substantial effort in developing this product and it is one of its kind in industry. The above materials contain trade secrets and proprietary information not customarily released to the public. Public disclosure of this information would be harmful to the legitimate business interests of the applicant and negate its advantage relative to current and future competitors.

The applicant understands that pursuant to Rule 0.457, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

T. Johnson
