To whom it may concern,

Re: Change of Identification for FCC ID: QYLSNNSVG7C01B

We hereby request a change in identification as specified under 47 CFR §2.933 of the FCC rules. This change applies to the SN-NSVG7-C01 module, originally granted on 11/20/2024 with FCC ID: QYLSNNSVG7C01B. Getac Technology Corporation intends to market the above referenced product under new FCC ID: QYLSNNSVG7F12. The product bearing the new FCC ID is electrically identical to the originally certified equipment. The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely yours,

Kevin Chiang
