

Limit Modular Approval Request Letter

Bureau Veritas Consumer Products Services (H.K.) Ltd., Taoyuan Branch

April 25, 2024

Dear Application Examiner,

Getac Technology Corporation., RFID Module, FCC ID: QYLSNNSVG7S5 would like to have your authorization as a modular approval specific to the mobile RF exposure condition.

The requirements of KDB996369 have been met and shown on the following statements.

1. "The modular transmitter must have its own RF shielding."

No, this EUT without RF shielding.

2. "The modular transmitter must have buffered modulation/data inputs."

Yes, the EUT has buffered data inputs, it is integrated in chip NXP PN7362.

3. "The modular transmitter must have its own power supply regulation."

Yes, the module contains its own power supply regulation, part number of this regulator is NXP PN7362.

4. "The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(C)."

Yes, the EUT meets the FCC antenna requirements.

5. “The modular transmitter must be tested in a stand-alone configuration”

No, the EUT was tested with host. It is authorized for use in specific end-product; host model we listed as below.

1. The EUT is authorized for use in specific End-product. Please refer to below for more details.

Product	Brand	Model	Difference
Notebook	Getac	S510	All models are electrically identical, different model names are for marketing purpose.
		S510Y (Y= 10 characters, Y can be 0 to 9, A to Z, a to z, “/”, “\”, “-”, “_” or blank for marketing purpose)	

6. “The modular transmitter must be labeled with its own FCC ID number.”

Yes, the module has a permanently affixed label. And also in the exhibition Users Manual, there are instructions give to the OEM on how to label the end product, sample showed as below.

7. “The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements.”

Yes, the EUT is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Users Manual.

8. “The modular transmitter must comply with any applicable RF exposure requirements.”

Yes, the EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Please contact me if you have any further questions. Thanks for your attention.

Best Regards,
