

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

SF573

EUT View 1	 The image shows the front of a square, grey TekTone Wireless Call Point. It features a red circular logo with a white cross in the center. Above the logo, there are two buttons labeled 'Round' (purple) and 'Check-In' (green). Below the logo, there are two buttons labeled 'Staff Emerg' (red) and 'Reset' (black). The device is placed on a blue textured surface next to a black ruler with white markings.
EUT View 2	 The image shows the back of the TekTone Wireless Call Point. It is a white, square device with two large circular battery compartments. A label in the center reads 'TekTone Wireless Call Point Model No. SF573 Battery 3V 221 (2x CR2477) Made in China'. Below this, there is a small FCC ID label: 'FCC ID: WNG-SF573 One device complies with part 15 of the FCC Rules. This device is exempt from the following two conditions: (1) This device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.' The device is placed on a blue textured surface next to a black ruler with white markings.
