Re: FCC ID: QZC-REXU

To Whom It May Concern:

The following application is submitted on behalf of our client, Elster Solutions, LLC, for evaluation of their model REXU for certification under FCC Part 15.247.

The REXU module forms a complete electricity meter when installed in a housing and meter base. The REXU contains (1) 900 MHz LAN frequency hopping spread spectrum radio and (1) 2.4 GHz direct sequence spread spectrum Zigbee radio.

The REXU was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The 'R.' is at the top left, followed by 'Sam' on the next line, and 'Wismer' on the line below.
