Re: Letter of Changes FCC ID: R33C4HC2001

We are informing the interested parties regarding changes made to the following product model number.

C4-HC200B-E-x (x denotes the color of the unit)

Changes on the product are:

- 1) Added new power supply (Sparkle Model FSP020-DGAA1).
- 2) Add new Brand Name (Cisco) and Model (SCH-CONTROL-200). The C4-HC200B-E-x and Cisco SCH-CONTROL-200 are electrical identical, the only difference is the graphics on the housing and labeling.

Thank you,
