

MANUFACTURER'S STATEMENT/ATTESTATION

March 24, 2015

Applicant: Control4 Corporation
Brand Name: Control4
Model Number: C4LGWM
FCC ID / IC ID: R33C4LGWM / 7848A-C4LGWM

The manufacturer or responsible party for the equipment tested hereby affirms:

- a) The C4LGWM is soldered directly on the PCB of the host systems (C4-WALL7 & C4-WALL10).
- b) The C4LGWM is limited only to the host (C4-WALL7 & C4-WALL10) that are manufactured by Control4 and are not sold or installed in any other product.
- c) Because of the conditions above the C4LGWM does not require an installation manual for the module.

Best Regards

A handwritten signature in blue ink that reads "Roger Midgley".
