

Product Similarity Declaration

Product name: SOUND System

Model name: SM-0809L, SM-0809L-0304, SM-0809L-0316, SM-081105L, SM-0809-0320, SM-0809-0296, SM-0809-0375, SM-0809

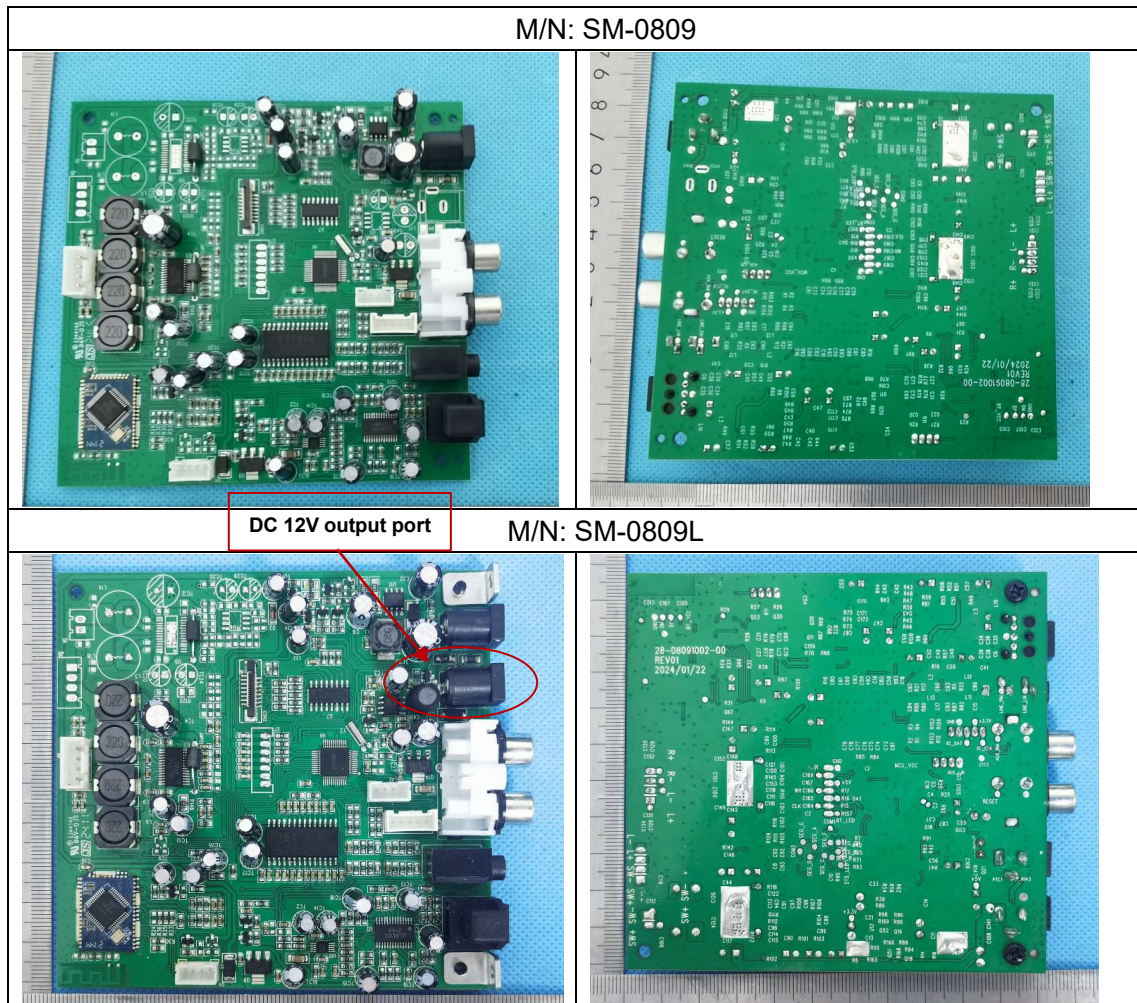

FCC ID: R4Z-SM-0809

We (Zhongshan Senjia Electrical Appliances Co., Ltd.) hereby state that the Model SM-0809L and model SM-0809L-0304, SM-0809L-0316, SM-081105L have the same circuit schematic, structure, PCB Layout and critical components. The difference is model number.

Model SM-0809 and model SM-0809-0320, SM-0809-0296, SM-0809-0375 have the same circuit schematic, structure, PCB Layout and critical components. The difference is model number.

Model SM-0809L and model SM-0809 have the same circuit schematic, structure, PCB Layout. The difference is model number and output function, model SM-0809L have a DC 12V output function, but model SM-0809 without. This difference does not affect the EMC &RF emission test results.

Details see below:

Please kindly handle on the project.

Signature:

A handwritten signature in black ink, appearing to read "Sam Wong". The signature is written in a cursive, flowing style.

Name: Wong Sam

Title: Executive Director
