Re #1. We are about to resubmit the revised file on today.
Re #2. We are about to resubmit new block diagram on today.

Question #1: The FCC ID label format is not clear enough to read FCC ID. Please resubmit.

Question #2: The Block Diagram indicated that the max. resolution can be upto 1280 x 1024, however the user manual and test report all indicated that the max resolution is 1024 x 768. Please address this inconsistency issue.

Best regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
