Ref: FCC Class II Permissive change for FCC ID: R9C-OP23216
Original Grant Date: 2024/11/06
Applicant: Guangdong OPPO Mobile Telecommunications Corp., Ltd.

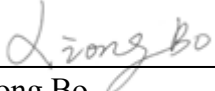

Dear Examiner,

This is to request a Class II permissive change for FCC ID: R9C-OP23216
, originally granted on November 6th 2024.
The major change filed under this application is:

1) Enable TA-SAR for WIFI part

Based on the changes above, we performed TA-SAR testing for new capability ,
because only SW updated this time, and no hardware changed, so no other testing
performed. Details refer to the relevant test reports.

Sincerely yours,

Xiong Bo
