

# **FCC ID: R9P86B946000500**

## **Technical Description :**

The brief circuit description is listed as follows :

- Y, Q1 and associated circuit act as 27.145 MHz Oscillator.
- U1 and associated circuit act as Encoder.
- Q2 and associated circuit act as Amplifier.
- SW1 ~ SW4 act as Control Keys.

## **Antenna Used :**

An extendable antenna has been used.
