

FCC ID: R9P86B946000501

Technical Description :

The brief circuit description is listed as follows :

- Y, Q1 and associated circuit act as 27.145 MHz Oscillator.
- U1(TX2) and associated circuit act as Encoder.
- Q2 and associated circuit act as RF Amplifier.
- SW1 ~ SW4 act as Control Keys.

Antenna Used :

A telescope-type antenna has been used.
