

SAR Test Setup Photographs

EUT Side Definition		
Item	Side	
1	Front surface	 A photograph of a dark blue Motorola walkie-talkie. It is positioned vertically with its antenna pointing upwards. A red circle with the number '1' is overlaid on the front face, just below the antenna. The device has a small LCD screen at the top, several buttons including a volume dial, and a speaker grille at the bottom. It is placed next to a metric ruler for scale.
2	Back surface	 A photograph of the same walkie-talkie, viewed from the back. The red circle with the number '2' is overlaid on the back panel, near the bottom edge. The back of the device is mostly smooth with some texture around the antenna and a small circular vent or sensor area. It is also placed next to a metric ruler for scale.

Body Setup (The front surface with belt-clip to phantom 15mm)
