This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

There is no guarantee that interference will not occur in a particular installation. If this device does cause harmful interference to radio or television reception, which can be determined by turning the device off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the device and receiver.
- Connect the device into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

# Warranty & Safety

Definitions. "Product" means the Pocket device, its included battery and in-box cable. "App" means Pocket software. "Services" means cloud features linked to your account.

**One-Year Limited Warranty.** Open Vision Engineering, Inc. ("OVE") warrants the Product against defects in materials and workmanship for 1 year from the retail purchase date. At OVE's option, the exclusive remedy is repair, replacement, or refund. Proof of purchase is required. The benefits of this warranty are in addition to any rights you may have under applicable consumer law.

## Exclusions.

- Normal wear and cosmetic damage (scratches, dents, finish).
- Battery capacity reduction from normal use.
- Accident, misuse, liquid contact, fire/heat, neglect, improper storage. • Use with non-OVE or incompatible accessories, chargers, or cables. • Unauthorized opening, service, or modification (hardware or firmware).
- Damage from software or third-party apps/services.

**Recording compliance.** You are solely responsible for obeying all recording and privacy laws. When in doubt, obtain consent from all parties before recording

**Safety & handling.** Avoid heat, puncture, crushing, or liquid exposure. Use only compatible chargers/cables. Stop using and seek service if the Product or battery is damaged.

**Data & privacy.** You are responsible for backing up and securing your recordings. OVE is not responsible for data loss, compromise, or recovery costs.

**Services & features.** Transcription and summaries may contain errors. Features may require an internet connection and may change or be discontinued.

**Limitation of liability.** To the maximum extent permitted by law, OVE's liability is limited to the purchase price of the Product and OVE is not liable for special, incidental, or consequential damages (including lost profits, business interruption, or data loss). Some jurisdictions do not allow such limits.

**Implied warranties.** Where they cannot be disclaimed, implied warranties are limited to 1 year (or the minimum period permitted by law).

**No modification.** No reseller, agent, or employee is authorized to modify this warranty.

**Full terms.** For complete, current terms and safety information, visit [heypocket.com/terms](http://heypocket.com/terms) or contact [hey@heypocket.com](mailto:hey@heypocket.com).
