RE: Temporary Confidentiality as per 47CFR 0.457 & 0.459
FCC ID: RBQAS0670

To Whom It May Concern:

We wish to maximise our competitive advantage over the competition by not publishing technical and commercial details of the additional features and benefits to our products prior to launch. Early release of this information would permit competitors to develop similar systems and undermine our investment in technology.

Please therefore provide short term confidentiality for the following exhibits:

Internal Photos
External Photos
Block Diagram
Module User Manual
Laser Operator Manual

Thank you for your attention to this matter.

Yours faithfully
Diomed Ltd.
