Subject: Certification Application
FCC ID: RD60AD1C0010

Dear Sir or Madam:

The following submission for FCC certification involves an RF subsystem provided by ADC Telecommunications, Inc. ADC Telecommunications, Inc. previously sought and received FCC certification with regard to operation of this subsystem as equipment that transports RF between a remote antenna and a Wide Band Digital Radio Base Station. The FCC ID of this equipment is F8I-DSR0805A.

Sincerely,

Jeffrey Steinheider
Basestation Engineering Manager
