Dear Steve,

Thank you for your application. In order for us to process your approval, the following must be addressed. Please provide a response in a timely manner to avoid delays or dismissals.

### Technical Review:

FCC Part 15.247 –

- This device appears to have two identical Winstron radios. Are the radios co-located? If they are then co-located MPE calculations are necessary.  
[Radios are not co-located.](#)

If you have any questions or concerns, please contact us.

Thank you!
