

Warnings

Welcome to the TurboTV Bar quick start guide

Thank you for choosing our TurboTV Bar IPTV Set Top Box (STB). Please take a minute to read this quick starter guide to better understand how to use this STB.

Unlike other proprietary STBs on the market, TurboTV Bar was developed with an open architecture that allows users and developers to load in Apps that matters to them. The STB is preloaded with Netflix, TurboTV, Google Play, etc. to get you started. For more information and support, please visit our web site at www.cipherkey.com

Included in the Package are

- 1.TurboTV Bar
- 2.Motion Sensing Air Mouse Remote Controller
- 3.Power Adapter
- 4.HDMI Cable
- 5.Network Cable
- 6.TurboTV Bar Mount Stand
- 7.Remote Controller Batteries
- 8.AV Cable

Front view of TurboTV Bar
