

## Quick Guide

English Version

© Kata Copyright Reserved, 2012

### Getting Started

Please read the following instructions carefully before use.

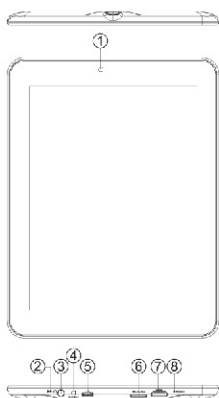

### Important Notes

- Keep T2 away from water, humidity and all types of liquids may damage device parts or electronic circuits.
- Do not store T2 near or in heaters, microwaves, hot cooking equipment, or high pressure containers.
- Do not drop T2 or cause impacts to your T2.
- Do not disassemble, modify, or repair your T2.
- To avoid damage, please do not put objects on the T2.
- Please do not cut off the power during software update and download, or it may cause data lost and system error.
- For the sake of data safety, please back up the important information or keep a hard copy.

#### Remarks:

- The components are authentic to the actual product.
- All pictures are for reference only, subject to our available products.
- For more information, please refer to the user manual at [www.katadigital.com](http://www.katadigital.com).

### Quick Start

#### Power On

To turn on T2, press and hold power key 3 seconds. If you turn on your T2 for the first time, follow the on-screen instructions to set up your T2.

#### Screen Lock

To unlock, turn on the screen by pressing "Power Key", and drag "🔒" to "🔓" direction until it reaches the border of the circle.

#### Power Save and Screen Lock

After switching on T2, press power key to SLEEP mode and it will lock the screen automatically.

#### Power Off

To turn off your T2, press and hold 3 seconds and select "Power off" and "OK"
