Remote Information in Real-time

October 29, 2003

This letter justifies the professional installation of the Luna iMonitoring remote wireless iCCU (FCC ID: RIM-ICCU).

The Luna iMonitoring remote wireless iCCU will be professionally installed by personnel trained by Luna iMonitoring or Luna iMonitoring authorized distributors or resellers. All of the authorized installers must be qualified by either Luna iMonitoring or Luna iMonitoring authorized distributors or resellers. Installers will be trained to install this device so as to not violate FCC Part 15 Rules or the conditions in which the equipment was tested and subsequently certified. The installer will ensure that the proper antenna and power levels employed are so that the limits of FCC Part 15 Rules and the grant are not exceeded.

The Luna iMonitoring remote wireless iCCU are for use in oil and gas fields, and other similar industrial locations. The Luna iMonitoring remote wireless iCCUs will not be distributed, marketed, and/or sold to the general public, and will only be sold directly by Luna iMonitoring or Luna iMonitoring authorized distributors or resellers.
