

FCC ID: RJ2TUPDJN-3930027

Technical Description :

The brief circuit description is listed as follows :

- X1, Q2 of Remote PCB and associated circuit act as 27.145 MHz Oscillator.
- Q1 of Remote PCB and associated circuit act as Modulator.
- IC TX-2 and associated circuit act as Encoder.
- U1, Q1, Q2 of Charge PCB and associated circuit act as Voltage Regulator.

Antenna Used :

An extendable antenna has been used.
