

Monster, LLC

Oct.16,2015

To Whom It May Concern:

We, Monster, LLC ,hereby apply for Class II permissive change to the approved product under FCC ID: RJE190671.

The major change is shown in the exhibit " model difference statement.pdf" . The model 190671 is plastic shell, The model 190660 is metal shell, the other is no change to RF modular and antenna. Radiated emission is tested again and demonstrates to compliant to the limit per FCC part15.247 and part15.209.

Sincerely,

Monster, LLC
