White Chrome

Case Pack: 6
Case Weight: 20 lbs.
Case Cube: 1.2

Automates Tank Toilets

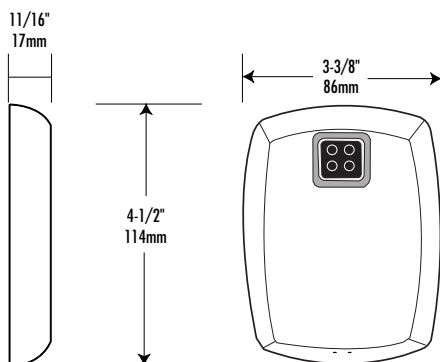

Installs simply to the tank plumbing mechanism. Flexible installation fits most tank designs. Uses same reliable motor and cam gear technology used in our existing AutoFlush®. The tank handle remains operable for courtesy flushing.

Smart Object Infrared Technology

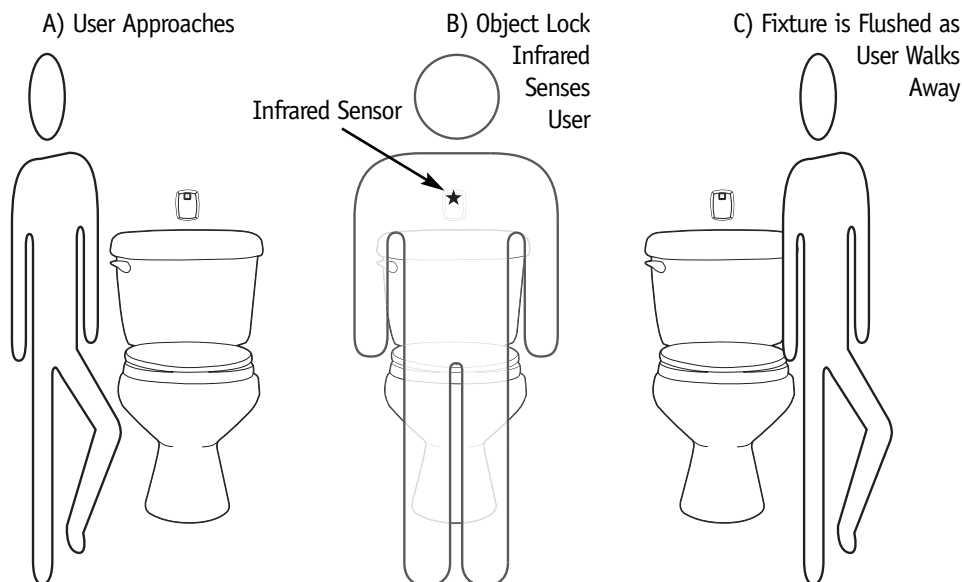

The AutoFlush® infrared *Object Lock Technology* controls flushing like no other system today. Ensures tank toilets are always flushed and presentable.

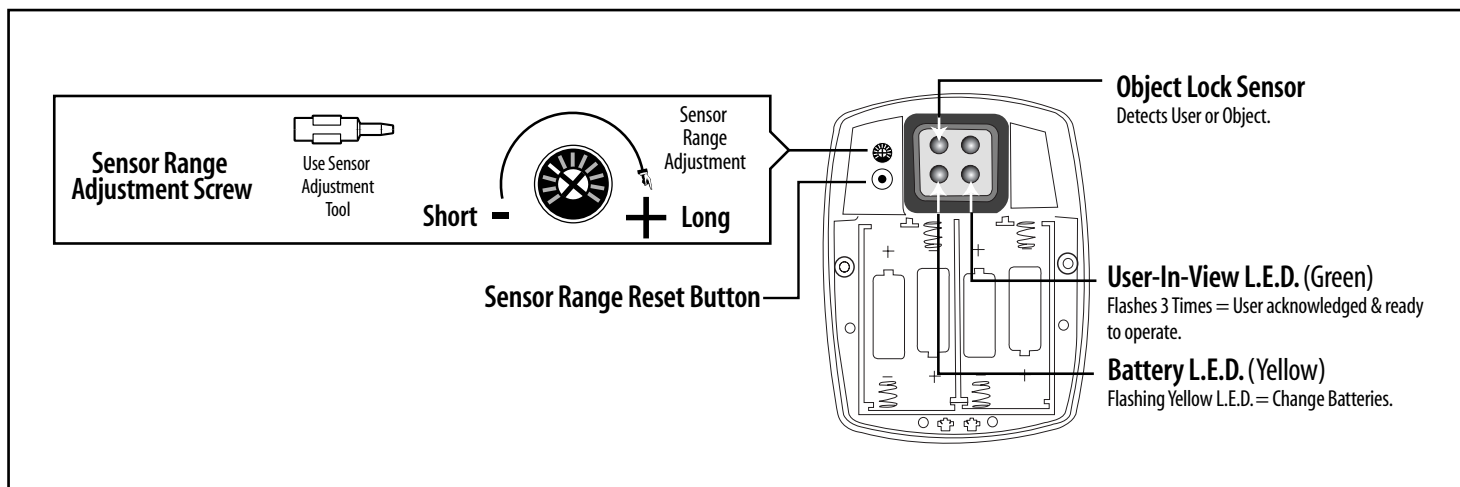

Easy 5 Minute Installation

Simply install the motor and sensor assembly, insert supplied batteries, and you've just converted your restroom to a higher standard of hygiene.

SANITARY NO TOUCH OPERATION
