RE: Notification of placement of 15.19 (a) (3) Labeling Statement in user's manual, per
15.19 (a) (5); FCC ID RO9E2003

To whom it may concern:

This letter serves as notification of the necessity to use the alternate location of the required 15.19 (a) (3) statement, as allowed by 15.19 (a) (5). Due to the small size of our Eagle product and the associated external label, it is necessary for the statement to be placed in the user's manual. This statement is located in Appendix 5, Regulatory Information of the manual.

Sincerely,

A handwritten signature in black ink, appearing to read 'Glen Shomo'.
