Dear Mike Kuo

Thank you for your cooperation.

I am sorry for my mistake.

Please see the attached file.

This project is very urgent.

If you possible, please send me TCB Approval sheet in today.

I'm sorry.

Best Regards

>> -----  
>> Question #1: This Wireless MP3 player is considered as PC peripheral ( with  
>> USB port to connect to PC ) and Intentional radiator ( with FM transmitter  
>> ). This device shall be complied with FCC Part 15 subpart B and Part 15  
>> subpart C. Since this device is operating in two different FCC rule part,  
>> composite device filing will be required.  
>>  
>> For composite device filing, you can still use one FCC ID number for both  
>> rule parts. However, TCB will have to handle this application as two TCB  
>> applications. One will be reviewed as PC peripheral and the other one  
> will  
>> be reviewed as intentional radiator per 15.239. After the review , you  
> will  
>> receive two TCB grants under same FCC ID number.Two TCB assessment fee  
> will  
>> be charged. Please confirm this is what you want.  
>>  
>> Question #2: Per section 15.239 of FCC rules, the authorized frequency  
> band  
>> is from 88 - 108MHz. 87.5MHz is outside the frequency band. Please  
> address  
>> this non-compliance issue.  
>>  
>> Question #3: Please provide AC line conducted test data per 15.207  
>> requirement.  
>>  
>> Best Regards  
>>  
>> Mike Kuo  
>> The items indicated above must be submitted before processing can continue  
>> on the above referenced application. Failure to provide the requested  
>> information within 30 days of the original e-mail date may result in  
>> application dismissal and forfeiture of the filing fee. Also, please note  
>> that partial responses increase processing time and should not be  
> submitted.
