

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Gentlemen:

This letter is to comply with Section 0.457(d)(2)(i) pertaining to confidential material. HEI, Inc. would like the following documents regarding this submission for FCC ID: RPIL100 to be kept confidential.

- *Theory of Operations*
- *Block Diagram*
- *Bill of Materials*
- *Schematics*

*(All of the above information is proprietary and confidential. If our competition has this information, they could access our design and affect our market position.)*

The RF design in the Link-iT™ product is based upon a reference design from Intersil Corp. (now GlobespanVirata, Inc.). Per the terms of the license agreement entered into between HEI, Inc. and Intersil Corp., in connection with this reference design, the schematic and related material cannot be divulged to any external party. Consequently, in order for HEI, Inc. to comply with that agreement, the above items must remain confidential. We do not want these documents to be accessible to the general public.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ray Jones', is written over a horizontal line.

Ray Jones  
Director, R&D  
HEI Colorado Operations
