EUT 1

Model Name:

SE5901B-IO-4G-GPS-B-S-US

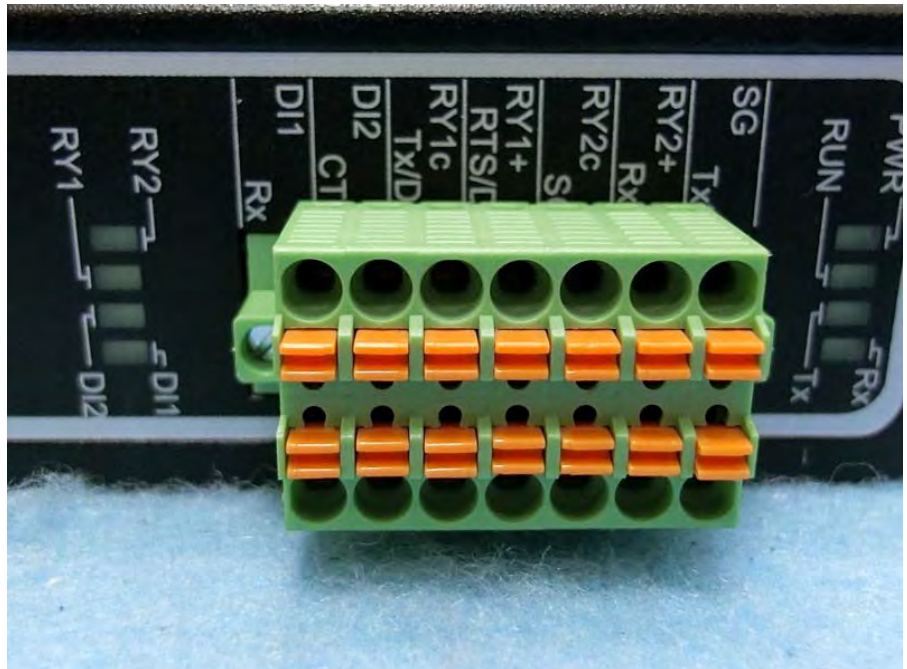

The image shows a black, rectangular USB-to-serial adapter module. At the top, there is a green terminal block with 10 pins. Below it, the module features a USB Type-A port labeled 'PWR USB', a BNC connector labeled 'LAN', and a small 'Default' switch. The module is placed next to a ruler for scale, showing it is approximately 100mm long. The ruler has markings in millimeters and centimeters.

SE5901B-IO-4G-GPS-US

The image shows a black rectangular module, identified as the Buddy V2-043, lying on a blue surface. A ruler is placed vertically to the right of the module, showing measurements in millimeters and centimeters. The module features a green terminal block at the top with 12 pins, labeled on the left as PWR, RUN, SG, RY2P, RY2N, RY1+, RY1-, D12, D11, R4, RY2, RY1, Default, PWR USB, LAN, and ANT. The module has a gold-colored SMA connector at the bottom. The text 'Buddy V2-043' is printed on the bottom edge of the module.

EUT 9

Model Name:

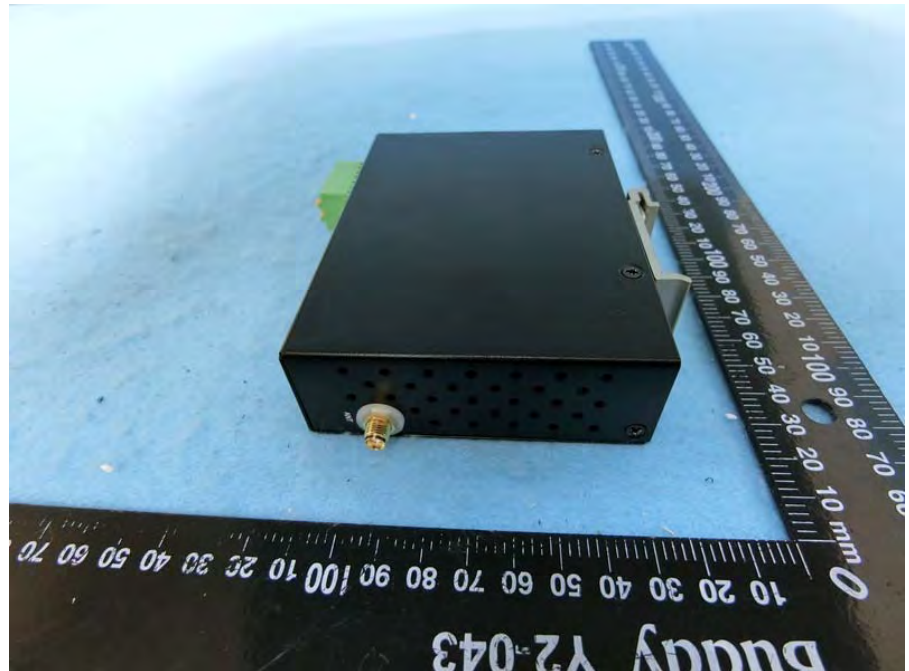

SE5901B-IO-4G-B-US

A black USB-to-serial adapter module is shown against a blue background. The module features a green terminal block with 10 pins at the top, labeled PWR, RUN, SG, RY2, RY2C, RY1, RY1C, RY2, D1, and D1C. Below the terminal block is a small switch labeled 'Default'. Further down is a USB Type-A port labeled 'PWR USB'. At the bottom is an RJ45 port labeled 'LAN'. A small gold-colored SMA connector is visible on the left side. A ruler is placed horizontally below the module, showing measurements in centimeters and millimeters.
