

1. 제품 소개 Introduction

i-POP은 각종 미디어 재생장치(MP3, CDP, MD, PDA, 노트북 등)에 연결되어 오디오 신호를 FM 주파수로 변환하여 무선으로 전송시켜주는 장치입니다. 차량에서는 시거코드(Cigar Code)를 이용하여 전원 공급이 가능하며, 야외에서나 가정에서는 배터리로 구동시킬 수 있습니다.

i-POP Wireless music adapter let you listen to any portable music device over any FM tuner and speaker setup, without clumsy or constricting cable hookup. It's the perfect way to simply and efficiently listen to MP3s, CDs, mini-discs, and other formats in the comfort of your car or living room

2. 작동 방법 Operation

3. 구성품

송신기 (FM Transmitter)
사용자 설명서 (manual)
건전지 (battery)

2. Specifications

1. Power Supply : 1.5V(AAA) Battery / DC 12V Jack
2. Current : Battery @ 60mA / DC Jack @ 23mA
3. FM Frequency : 106.7/106.9/107.1/107.3/107.5/107.7/107.9 MHz
4. Operating Temp : -10~50 c
5. Dimension : 62.4 x 30.6 x 19.0 mm
6. Weight : 28g (Excluding Battery)

3. Warranty

BKM warrants this products as free of defects in material, design and workmanship for a period of twelve (12) months from the original date of purchase.

CAUTION

This Limited Warranty will be honored only within the geographical location that IPOPOP purchased.

BKM will repair or replace I-POP if they fail to function properly during the warranty period, subject to any conditions and/or limitations stated herein. Such repair service will include all labor as well as any necessary adjustments and/or replacement parts. Such repair or replacement is the sole remedy under this warranty.

Warranty Conditions :

- Request for Warranty Service will not be accepted without proof of date of purchase, such as a copy of the original dated IPOPOP sales receipt.
- This Warranty does not apply to the battery used in I-POP. This Warranty does not cover circumstances beyond BKM's control, nor problems caused by failure to follow the operating instructions in the I-POP User's Guides.
- This Warranty does not apply when failure is due to shipping damage, accident, alteration, modification, unauthorized service, misuse, abuse, use with incompatible accessories or attachments, failure to follow BKM' operation, maintenance or repacking instructions, failure to use items supplied by BKM (Such as adapters and cables), or claims made after the duration of this Warranty.
- This Warranty does not apply when repairs performed by non-authorized service centers such as opening of the product by a non-authorized person.

4. FCC Statement

This device complies with parts 15 of the FCC Rules. Operation is subject to the following two conditions; (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution : Any changes or modifications in construction of this device which are not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

Note : This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures;

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
