Request regarding derived additional model name for certification of FCC ID: RR5TA-6950C

For our marketing policy, we will use several model names depending on the shape and the use of product and installed place. Same PCB with a same electrical circuit was installed in this product. There are no changes to the electrical circuit and performance. There is an only difference in exterior. Please refer the appendix for detail.

Name of basic model	Name of additional model
TA-6950C	TA-7950C TA-8050C

Sincerely,

A handwritten signature in blue ink, appearing to read "Gordon Roderick Brow", with a horizontal line extending to the right.
