

30 June 2005

To Whom It May Concern:

**PURPOSE OF CHANGE LETTER**  
**For Model 75071 (Modified)**  
**FCCID: RS4HB001**

This letter is to provide additional information regarding the Application of Permissive Change for our model 75071 (Modified) based on the previously certified model 75071.

The RF module of the above-mentioned models is identical in electrical circuitry as well as the antenna.

The main difference is the inclusion of the circuits for lock-up and burst noise issue as well as for volume and off-current improvements to the PCB layout (removing the two small additional PCBs).

All design including electronic and electrical remain the same except the above-mentioned change.

The above-mentioned change is not intended for maximum power and change on field strength ratings.

Should you have any query, please don't hesitate to contact the undersigned.

Your Faithfully,
