

Cover letter for Wireless terminals approved towards FCC 15.231

- A. Intended use of these transmitters is to “call forward” customers in a Queue system
- B. **Document named “Exh5&10_schematic_bom_433.pdf” is to be handled as a Confidential Document. Due to that we don’t want to distribute our technical solutions to our competitors.**
- C. -
- D. Due to that all documents are called Exh_ with the corresponding number, no list is enclosed.
- E. Part numbers are shown in manual at page 13 and in the FCC ID: RT2-xxxxxxx, which is labelled at all terminals.

I the applicant here by certify that neither I nor any part of the application is subject to the denial of Federal benefits, that include FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 22 U.S.C. §862 because of a conviction a possession or distribution of a controlled substance. See 47 CFR 1.202(b) for definition of a “party” for these purposes.
