Mr. Fujimoto,

In order for processing of this application (FCC ID: RTTABDB-SEDP) to continue, the following issue(s) will have to be addressed:

- 1) Please indicate compliance with the voltage variation requirements contained in 15.31(e).
- 2) The block diagrams submitted do not show clock oscillator speeds.
- 3) The schematics submitted seem to be incomplete. I do not see any clock oscillators.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.

Please upload your response to our electronic filing website using a correspondance number of "RTTABDB-SEDP-1".

If you have any questions, feel free to contact me.

Best regards,

Scott McCutchan
