## RF.: Grant of Authorization for FCC ID: RTW8121

Dear Sirs,

This is the letter of Confirmation to declare the product and frequency information as following:

**Product name:** Radio control

**Model numbers :** T3DP-FM27

**For 27MHz frequency band which apply for FCC Certification, it will use 11 frequencies:**

26.995, 27.025, 27.045, 27.075, 27.095, 27.125, 27.145, 27.175, 27.195, 27.225,  
27.255MHz.

This Radio control operating frequencies are crystal-controlled. The crystal is fixed soldered and the user can not have access to it. All products are shipped from the manufacturer with their crystal installed.

Yours sincerely,
