> > Dear SS Liou,
> > The above referenced TCB application has been reviewed. The items
> > below
> > must be addressed before the review can be continued:
> >
> > 1. The schematic diagram submitted includes a place for the
> > Bluetooth
> > Module, but the schematics did not include the Bluetooth Module circuitry.
> > Please revise the schematics to include the Bluetooth RF circuit.
> >
> > 2. Please provide the antenna specifications for the Bluetooth
> > antenna
> > (should include peak gain).
> >
> > 3. Please note that the Users Manual indicated that this device is
> > compliant with the Bluetooth CORE version 1.1. If this is not correct
> > please provide Bluetooth CORE compliance evidence.
> >

> > The items indicated above must be submitted before processing can
continue
> on the above referenced application. Failure to provide the requested
> information within 30 days of the original e-mail date may result in
> application dismissal and forfeiture of the filing fee. Also, please
> note that partial responses increase processing time and should not be
submitted.
> Any questions about the content of this correspondence should be
