Single-Mode PCS Phone(CDMA)  
Part 24 Certification  
Request for Confidentiality

Gentlemen :

In accordance with 0.459 of CFR 47, AL Communication Co., Ltd. hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams attachment, Operational Description attachment, and Part List/Tune-Up Procedure attachment for the above-referenced Certification application.

These documents contain detailed system and equipment description and related information about the product which AL Communication Co., Ltd. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, AL Communication Co., Ltd. feels this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely Yours,

Yuri Hwang  
Product Management Group/Asst. Manager
