

Statement

We, SAN JOSE Navigation, Inc, states that our device, FCC ID:RUU-GC1010611, has no space to put the label except battery compartment as shown in the attached photo. The label will put under the battery compartment, so the label is visible to the users as they purchase the products and install the battery. As the devices are put on the market, the battery will not be installed in advance. The battery will be installed by the end users. Users manual will also direct the end users where they can find the FCC label. The battery cover will be open easily without using any special tools
