Re : FCC ID: **RVXUSM6092-512**

Dear Sir/Madam,

**Sweda Limited** requests acceptance of the labeling proposal described below for **USB People** bearing FCC identifier **RVXUSM6092-512**.

The product is a **512MB USB Memory Storage** which shown in the following figure.

Because the majority of the device housing is too small, there is extremely limited space available to attach the required label carrying both the FCC identifier and statement. For this reason **Sweda Limited** proposes placing FCC statement in the user manual.

Yours Faithfully,

---
